

For All CINO XS Machines

Installation Guide for the NRI G13 Coin Acceptor Kit

Cino Coin Acceptor Kit - part no. 100504 contains:

- 1 x Coin acceptor mounting plate
- 1 x Front plate
- 1 x Lockable cashbox
- 1 x Short cashbox bolt
- 1 x long cashbox bolt

Cino Coin Acceptor Kit with NRI G13 - part no. 100503 contains:

- 1 x NRI G13 coin acceptor
- 1 x Coin acceptor mounting plate
- 1 x Front plate
- 1 x Lockable cashbox
- 1 x Short cashbox bolt
- 1 x long cashbox bolt

Installation Procedure:

Remove the coin slot blanking plate from the front of the machine. Place the mounting plate (2) on the rear of the machine door and fix in place with the screws provided (3). Position the front plate (1) on the outside of the machine door and fix in place with the screws provided (3). Push the NRI coin acceptor (4) on the rear of the mounting plate, until it is locked in place with the latch on the plate.
